Another strike is reported in
the Jumbo district.

Sixty miners have been drafted
from the Hale & Norcross.

Two hundred men were put on
in the Con Virginia yesterday.

Mr. Poujade, our next Lieut.
Governor, was in the city yester-
day.

Maine has gone Republican by
large majorities and Reed is re-
turned.

It is rumored that the Demo-
crats will run Judge Healey for
Attorney-General.

It is rumored that John F. A.
Lynch is a candidate for the 'Re-
publican nomination for Sheriff.

Scanlan is the next attraction
on the boards. He appears on the
23rd, followed by Keene on the
25th.

Fox, the man who has been
making charges of corruption
against the Hale & Norcross, has
finally brought suit for \$2,000,000.
It would have looked much better
if he had begun his suit without
so much preliminary newspaper
noise.

Captain John Smith has en-
tered into a contract with Con-
tractor Lawton of Kansas to carry
the mails between Winnemucca
and Spring City by the way of
Paradise on and after October 1st.
Why is it that Eastern men get
the contracts for carrying the
mails in Nevada and always get
residents of the State to take sub-
contracts at less rates than the
Government pays for the service?
—Silver State.

A Life Saved.

Mr. Robert Brethman, agent of
the Manhattan Insurance Co., is
again in the city in the interest of
his company. Yesterday he got
into an altercation with a man on
the street and drew off to knock
him cold when he suddenly stop-
ped and remarked: "D— you
I'd hammer the life out of you
right here if you weren't insured
in my company." Bob is a giant
in strength and the insurance in
the Manhattan no doubt saved
the man's life.

Strengthening Steel.

It has been found that the Ko-
demann-Tilford steel process,
which consists of treating the
metal in a bath into which glycer-
ine enters largely, causes an in-
crease in ductility and tensile
strength far beyond any record in
that respect that has yet been es-
tablished by either government or
private tests. The very finest and
strongest grade of steel, superior
in these properties to any now in
use, can be produced by this pro-
cess at a little more than the cost
of the crude Bessemer article.—
New York Telegram.

Challenge.

I am willing to fight William
Keogh of Virginia City for \$500
or \$1000 a side, provided fouls on
either side shall not decide the
battle, but each party on which a
foul is adjudged by the referee
shall forfeit 10 per cent. of the
stakes on the spot, after which the
battle shall continue to a finish.

Am ready to make the match
to come off in November any-
where outside of Virginia City.
An open field preferred. Pro-
vided Keogh will reduce to 165
pounds.

M. W. BRANNAN.

The Water Cure.

Yesterday morning a drunken
man staggered up in front of Jen-
nie Forrest's and laid down in
front of her door. She expostu-
lated with him on his conduct in a
manner that no sober man could
fail to understand, but he did not
seem to.

Then her Prohibition blood rose
to a boiling point and she turned
the hose on his prostrate form.
He staggered to his feet and she
drenched his clothes from head to
foot, chasing him past the Appeal
office with a full head of water.
He went down the street at a
pretty lively run, calling for the
police meanwhile.

FAIR FREIGHTS.

Of Interest to Exhibitors Along
the R. R. Line.

GENERAL OFFICE
SOUTHERN PACIFIC COMPANY,
SAN FRANCISCO, Sept. 6, 1890.
To Agents and Others Interested:

Shipments for exhibition at the
Nevada State Fair should be way-
billed to Reno at regular rates,
consigned to the exhibitor, and
charges collected on delivery.

Consignees or exhibitors must
surrender to this company's agent
when returning shipment, the ex-
pense bill showing charges to the
Fair, accompanied by certificate
of the Secretary of the Associa-
tion, the latter setting forth that
the property has been on exhibi-
tion and not changed hands, when
consignment will be forwarded to
original shipping point free of
charge. Agent must note on way-
bill reference to original billing,
also "inward expense bill and Sec-
retary's certificate taken up."

Reno agent will refund all
charges for transportation to the
Fair by F 13, a taching thereto
original expense bill, Secretary's
certificate and receipt of consignee
or exhibitor on form F 77, and
forward all to Freight Auditor
with daily report in the usual man-
ner.

PERISHABLE FREIGHT.

Consignees or exhibitors who
have paid charges to the Fair on
articles that at its close are found
to be worthless by reason of
their perishable nature, on sur-
render of expense bill, accompan-
ied by certificate of the Secretary
of the Association, the latter set-
ting forth that property has been
on exhibition and not changed
hands, and is unfit for return
transportation, will receive from
this company's agent the amount
paid for transportation of the
property to the Fair.

Reno agent will refund all
charges for transportation to the
Fair by F 13, in the manner as
noted above, for shipments return-
ing.

NOTE.—Agents will be particu-
lar to count and note on the way-
bills, from point to point, the
number of head of live stock,
whether in carloads or less, loose
or in crates, also to see that ship-
pers understand fully that the
amount of the freight charges to
be refunded, upon conditions
stated above, will only be such as
would cover live stock shipped
under contract at freight train
rates. If shippers desire special
service, such as passenger train,
etc., or place a higher value than
live stock contract calls for, upon
their stock, we shall retain, for
such special service or extra risk,
all charges over and above freight
train contract rates.

Agents will explain to shippers
of horses and other live stock the
necessity of making consignments
to themselves, and when the man
in charge is not the exhibitor,
shipment should be consigned to
the owner, in care of the party in
charge, so that delivery, when
necessary, can be made to him.
The above applies only to ship-
ments originating in Nevada.

Shipments from points on lines
of Southern Pacific Company in
California or Utah will be charged
regular rates to Reno. On pre-
sentation of certificate from the
Secretary of the association, that
the property has not changed
hands while on exhibition, the
agent at Reno will way-bill the
property—except if it be race
horses—to point of shipment free
(n-ting on way-bill "Secretary's
certificate taken up,") but will not
refund the charges on freight go-
ing to Reno. Race horses will be
charged for at regular rates, tariff
or special, in either direction.

Freight Auditor.

General Freight Agent.

Prof. Norris and Millar Bros.
had a good house last night but
if the dog-trainer would produce
more dog and talk less the audi-
ence would be better satisfied.

Senator Evan Williams' fast
pacing Gibraltar colt, Our Dick,
will participate in the races at the
District Fair this month.

Tom Keene Coming.

Mr. Thomas W. Keene's season
has opened up remarkably well
and the indications are that it will
be the most prosperous he has
had in many years. He is in per-
fect health and spirits and his
friends claim that since he mod-
ified somewhat the finer robust-
ness of his style that his art has
vastly improved. By the way,
Mr. Keene is one of the few Amer-
ican actors who have attained ar-
tistic success in England. He
played in London several years
ago and the ablest critics of the
time, led by John Oxenford of the
Times, spoke of his acting in the
most glowing terms. In parts
like Richard III, Macbeth, Rich-
lieu or Louis XI, he has few
equals. His company this season
is said to be the best he has ever
had. Mr. Keene will be seen in
this city in one of his strongest
personations, September 25th, and
those fond of the higher drama
will do well to make a note of the
fact.
